

2009-10 WSD Board of Director Goals

Strategy 1 – Community Partnerships

- Develop and implement a community listening and communications strategy for the District programs
- Develop a short term strategy for facility overcrowding; and a long term strategy that includes an affordable bond measure
- Begin transition towards sustainable after school programs with the Boys and Girls Club

Strategy 2 and 3 – Empowerment/Student Goals and Aspirations

- Implement bilingual program in middle and high schools
- All schools will meet their Individual School Improvement Goals in math and reading
- Students meeting AYP and exceeding AYP will increase.
- Summer school will address accelerated and remedial student needs
- District will continue planning and progress towards K-12 International Baccalaureate

Strategy 4 – Students Contribute to Community

- A monthly report will be provided to the Board regarding service learning projects that students are participating in.
